

# **Naval Force the Nation Needs**

- 1. Deliver and Sustain Lethal Capacity**
- 2. Increase Agility**
- 3. Drive Affordability**
- 4. Build Workforce to Compete & Win**

A group of Marines in desert camouflage uniforms are wading through shallow, white-capped waves. They are carrying rifles and wearing helmets and sunglasses. In the background, a metal structure, possibly a landing vehicle, is partially visible. The sky is clear and blue.

# How We're Getting There

**4Ds**

**D**ecentralize (to the lowest level)

**D**ifferentiate (the work)

**D**igitize (all facets of work)

**D**evelop (the Workforce)
