Rhode Island – Israel Collaborative (RIIC)

Mission statement. The Purpose of The Rhode Island-Israel Collaborative (RIIC) is for the Promotion of Commerce, Academics and Science.

The collaborative is a nonprofit organization that will foster and strengthen trade, business, academic exchange and research between the state of Rhode Island and Israel to benefit the economy and community of each location. The Rhode Island-Israel Collaborative (RIIC) will do so by building and strengthening the relationships between government organizations, businesses, entrepreneurs, investors, members of academia and the research community in Rhode Island and Israel.

Rhode Island - Israel Long History How Judah Touro from Rhode Island Shaped the Face of Israel

It is hard to imagine that a small state, more than 5,500 miles away, played a crucial role in shaping the landscape of Israel in 1860 . However, when a businessman and philanthropist from Newport, Rhode Island named Judah Touro wrote his estate, he clearly had a vision.
