Submarine Shipbuilding Workforce Development

In August, SENEA was awarded our first Department of Defense (DoD) contract for **Submarine Shipbuilding Workforce Development**.

SENEA has interfaced with regional (CT, RI, and MA) stakeholders, including state education and labor departments, regional schools, Manufacturing Extension Programs, and other quasi-private sector organizations, to develop a [regional compendium of resources](#) for the Submarine Shipbuilding Supply Chain. This has been posted on the SENEA website

If you are currently part of the submarine shipbuilding supply chain, or want to be, [take our short survey](#) and get on our mailing list.

Industry Events and Opportunities

On 10 November, Dr. Paula Bontempi, the new Dean of the [University of Rhode Graduate School of Oceanography](#) presented at our virtual Tech Talk. Dr. Bontempi provided insights into recent URI GSO research activities including the revitalization of the Narragansett Bay Campus. She also discussed partnering opportunities.

Congratulations to New England Institute of Technology

The Department of Homeland Security and the National Security Agency have designated New England Institute of Technology as a National Center of Academic Excellence in Cyber Defense Education (CAE-CDE).
