

SENEA November 2021 e-Newsletter

From the Executive Director:

It was an honor to coordinate the visit of Secretary of Labor Marty Walsh to Rhode Island on 1 November. Also in attendance were the RI Federal Delegation (Senator Reed, Senator Whitehouse, Congressman Langevin and Congressman Cicilline) and RI Governor McKee. We showcased how southeastern New England is the nation's hub for Submarine Shipbuilding and Undersea Technology. Read more here: <https://www.senedia.org/senedia-coordinates-secretary-of-labor-visit/>

Please read below for other items of interest to SENEDIA member companies and the regional defense cluster.

Best,
Molly Donohue Magee

Next Gen Industry Partnership for Submarine Shipbuilding Workforce Development

SENEA, through our DoD Industrial Base Analysis and Sustainment contract, is managing a Next Gen Industry Partnership for Submarine Shipbuilding Workforce Development. If you are a company that is in the submarine shipbuilding supply chain or could be, visit our website for more information: www.buildsubmarines.com.

SENEA Internship Program

We are still in need of companies to host an intern in the fields of business, emergency management/logistics, cyber security, engineering (ocean, electrical, aerospace). More details here – <https://www.senedia.org/update-on-senedia-internship-program/>. Contact Cassandra, cjohns@senedia.org, ASAP for more information!

SENEA Tech Talk: MxD Defense Manufacturing Institute

SENEA's October Tech Talk was MxD, Defense Manufacturing Institute – How They Can Help

Small Businesses. Chandra Brown, CEO of MxD, and Berardino Baratta, Vice President of Projects and Engineering presented. In addition to the slides ([SENEDIA Tech Talk – MxD Overview](#)), MxD shared several programs they offer during the presentation – more information here: <https://www.senedia.org/senedia-tech-talk-mxd-defense-manufacturing-institute/>
